Brown County Housing Authority Family Self-Sufficiency Program Interest Form

Join us on a journey to self-sufficiency!

The Family Self-Sufficiency (FSS) Program is a voluntary employability program designed for Housing Choice Voucher Program recipients who are **actively seeking or maintaining employment**. Some of the perks of the FSS Program include hands-on case management to help you reach goals that you set for yourself, along with the **ability to earn money** into a managed savings (escrow) account that you get to take with you upon graduation.
